### Why Choose Us?

- ➔ Vast experience with both Government and private sector projects
- ➔ Highly qualified personnel
- ➔ English and Japanese spoken
- ➔ Local offices in Okinawa, Misawa, and Guam

### About Us

- ➔ Fully licensed Japanese corporation, registered as a U.S. government contractor.
- ➔ Specialized in environmental, mechanical, electrical and civil engineering work for the U.S. military, as well as construction and logistical assistance.
- ➔ We provide consulting and engineering support to U.S. prime contractors desiring to work with local Japanese companies, with translation and project management services.
